Teacher Quiz View

Class Info

→ student list with all student info (name, email, student ID)

→ Simple interface

Create Quiz

The 'Create Quiz' interface. It has a similar top navigation bar with 'Class Info' (highlighted), 'Quizzes' (with a dropdown arrow pointing to 'Quiz 1'), 'Analytics', and a search icon. Below the navigation bar are three input fields: 'select topic' (dropdown menu), 'select question type' (dropdown menu), and 'question amount (type)'. To the right is a 'Create' button.

dropdown menu

→ to choose topic (from curriculum)

dropdown to choose question type (multi choice / short answer / long answer / combo)

Assign Quiz

The 'Assign Quiz' interface. It has a similar top navigation bar with 'Class Info' (highlighted), 'Quizzes' (with a dropdown arrow pointing to 'Quiz 1'), 'Analytics', and a search icon. On the left, there is a 'Select Quiz' section containing a list of quizzes: 'Quiz 1', 'Quiz 2', 'Quiz 3', and 'Quiz 4'. An annotation 'turns green when you click' points to 'Quiz 2'. On the right, there is a list of students: 'All', 'student 1', 'student 2', 'student 3', and 'student 4', each with a checkbox next to it. A 'Select Specific Students' bracket groups the student names and checkboxes. At the bottom is an 'Assign' button.
